To
The Custodian of Evacuee Property, Bombay.

The audit of the Personal Deposit Account of the Collector as the Dy.Custodian of Evacuee Property, Dharwar Dist.Dharwar for the half year ended 30-9-1951 was carried out between 21st and 24th January 1952.

2. The income and expenditure account for the half year ended 30-9-1951 was prepared during audit from the information availab from records maintained and prodcued for audit and ~~xx~~ is appended to this report.

3. There was no cash in hand in the Dy.Custodian 's Office, there being no transactions of receipts and payment in that office.

4. Previous Audit.

The audit reports for the period ended 30-9-1950 and 31-3-1951 issued under this office No.O.A./2045 dt 26.5.51 and No.O.A./6375 dt 14-8-51 are still not replied.The necessary compliance in respect of these reports should please be expedite

Current Audit:-

5. Maintenance of Accounts Records:-

(a)Although the importance of maintaining all the prescribe accounts registers was stressed in the previous audit reports all the necessary registers were not maintained in various talukas.Some registers were written up during audit.The entries in these registers should be scrutinised by the Asstt:Custodians and initialled by them in token of ~~xxx~~ check.The registers mentioned below are still not being maintained by the Asstt:Custodians.

Name of Taluka	No.of the registers prescribed. under ac
Dharwar	15,18,27,29,19 & 30.
Gadag	15,19,27,28 to 30,
Ranebenur	19,27
Ran	19,29 & 30.
Nargund	19,25,21,24 & 23
Kundagol	15,18,19,27 ,29 & 30.
Navalgund	11,15,18,19,27,29 & 30
Haveli	10 & 27.

(b)In the following cases the registers are either incomplete or incorrectly maintained.

(1)Hubli:-Register No.27 was incomplete.This should please be completed.

Register No.29 has not been correctly maintained. Transactions relating to each evacuee are noted on separate pages.One consolidated account only should be maintained.

(2)Gadag:-The cash book is maintained on separate folios for each evacuee.Cash and treasury transactions are not shown separately.The balance at the treasury is not therefore worked out in the cash book.

(3)In Dharwar and Ran Talukas the cash book is maintained in L.P.G.IV which is used for supply accounts.

(c)The accounts registers in most of the talukas are maintained in loose sheets of papers.Strongly bound registers should be used for maintaining the accounts.

(d)A consolidated pass book for entire district is maintained in the Treasury Office.It is not therefore possible for each Asstt:Custodian to verify the Balance in the Personal Deposit Account individually and to give the certificate prescribed under note below rule 45 of the Administration of Evacuee Property Rules.It is,therefore, necessary that a consolidated day book and Form 29 should be maintained in the office of the Dy.Custodian and the reconciliation of the treasur pass book with departmental books should be done every month.

6. Irregular withdrawal of money from Treasury:-

According to rule No.42(2) ibid,all payments are required to be made by cheques.In this district all payments are being made by amounts drawn on abstract billls and the charge

3

the charge is debited to "57-Miscellaneous" instead of the "Personal Deposit Accounts".The procedure of withdrawals on abstract bills has since been stopped.However the adjustment in respect of the amount so far debited erroneously to the head "57-Misc." shbuld be carried out early in consultation with the Accountant General,Bombay.

7. Cusotdian's fees:-

The Custodian's fees are not being credited regularly in all the talukas except Hubli Taluka.A sum of Rs.7,067-3-9 is still to be credited on this account.Early steps should be taken to credit this amount after necessary verification as to the correctness of the amount recovered.

8. Arrears of rent:-

In the following cases the rent of premises let out is not re-covered for a long time:-

(i)Nargund Taluka:- House of Hussain Minya Killedar occupie by his brother.The rent due upto the end of December 19 is Rs.89-15-0.

(ii)Hubli Taluka:- House of Shri A.M.B'baywalla occupied by one Shree B.M.Bindra.No rent is paid since April '51.Early steps should be taken to recover the amounts.

9. Kundgol Mahalkari:-

(a)The Mahalkari Kundgol has paid a sum of Rs.252-3-9 to Shree Saibanavar although an amount of Rs.2,388-6-2 was to be recovered from him as pointed out in para 5 of the audit report for the period ending 30-9-50.This amount was paid is not clear. The account records relating to the transactions between the two parties were not produced to verify the correctness of the charge.

No action appears to have been taken to recover the amount of Rs.2,389-6-2.

(b) A rent of Rs,75-10-0 is paid hire of godown at Gundgeri. The sanction of the Dy.Custodian to hire the godown in question is wanting

10. Nargund Taluka:-

The evacuee Shri Haji Suleman in this taluka has got some shares in the K.C.C.Bank.No dividend has been collected from the Bank so far.Enquiry should be made whether any amount is due to the evacuee on this account and if so the amount should be collected early.

11. Hubli Taluka:-

A sum of Rs.?,724-12-0 was received as payment of deposits towards purchase of movable property of Shree Dawood Musa.This amount has been credited into the Revenue Deposit.As all transac-tions relating to evacuee property are to be made from the Perso-nal Deposit Account,this amount should be trasnferred from the Revenue Deposits to the Personal Deposit Account.The necessary adjustment should be carried out very early.

12. Gadag:- Cases of avoidable expenditure:- Clerk

The Mamlatdar Gadag has appointed a clerk from 1 4-12-49, on a monthly pay of Rs.82-8-0 His pay is debited to the account of the evacuee Shree Dawood Musa.His appointment was made on the ground that the accounts books of Shree Dawood Musa were maintained in Gujrati and there being no clerk knowing the language,his services were necessary to reply inquiries.

Actually no business was carried out after the property was taken over.There does not seem to be any justification to appoint a full time clerk as there was no sufficient work for him.The purpose could havebeen served by engaging a part time clerk for translating the records wherever necessary.

Two watchmen were also engaged to watch the movable property of the two evacuees in the taluka.All the movable properties were disposed of in Oct.'51.The services of the clerk as well as the watchman are continued to date.

The entire expenditure on the pay of the clerk as well as the expenditure incurred by continuing the watchmen after the properties were disposed off is unnecessary.This is brought to the special notice of Govt.for taking such action as they deem necessary.

(b)At the time of taking possession of the property of Shree Sba Tayab one Shree Jagadish Seth declared that some of his money was in the cash box of the evacuee.The cash box was sealed in the presence of a panch without ascertaining the amount contained in the box.The seal was opened at the time of auctioning the cash box, a sum of Rs.260-6-6 which is stated to have been recovered from the box was credited to Treasury.From the papers produced for audit it is not clear whether the cash box was opened in presence of a Panch,as otherwise the correctness of the amount stated to have been found in the box cannot be verified.The matter requires to be investigated by the Dy.Custodian at an early date.

13. Income and Expenditure account and Balance Sheet:-

a/ A-rrears outstanding against debtors of evacuee.

A large sum of Rs.17,689-3-0(Rs.11,686-11-3 plus Rs.6,002-7-9)is still outstanding against debtors of evacuees. The progress of recovery is very slow.A sum of Rs.300/-only has been recovered during the six months under audit.The recovery of the outstanding balance should be effected very early.

(b)Reconciliation between the balance at the Treasury as per Departmental books and as per Treasury Figure:-

The balance at the Treasury on 30-9-51 was Rs.49,439-11-3 while the balance as per departmental books works upto Rs.1,00,176-0-7.The difference requires to be reconciled.A large difference between the treasury figure and departmental figures is being continued since long without any attempt to reconcile it.Early steps are therefore necessary to reconcile the figures.

14. General:-

The state of accounts in all the Talukas (except Hubli Taluka)and especially in Gadag Taluka is very unsatisfactory. This unsatisfactory position continues without any attempt at improving it.Important accounts registers are not maintained (Para 5).Amounts have been withdrawn on abstract bills and the charge is incorrectly debited to "5-Misc." (Para 6).Custodian's fees are not regularly recovered(Para 7). Rent is heavily in arrears (Para 8).Sanction for hiring a godown was not obtained (Para 9).Amounts of dividend due to an evacuee were not collected for the Bank(Para 10).Certain receipts were credited to a wrong head of account(Para 11). No attempt is made to recover the amounts from debtors of evacuee although the amounts involved are very large(para 13(a)-Unnecessary expenditure is being incurred (Para 12).Reconciliation of balances as per departmental books and treasury books is not carried out though large difference between the figures were noticed. Streneous efforts and personal attention on the part of the Dy.Custodian is needed to effect improvement.

D.O.No.CEP/Audit/16/III-52.

Office of the Custodian of Evacuee Property,
Mercantile Bank Building, Fourth Floor,
Mahatma Gandhi Road, Fort, Bombay-1,

Dated the 22nd August,1952.

Dear Shri

Please refer to the audit report on your 'Personal Deposit Account' for the half-year ending 31-3-52 forwarded by the Examiner,O.A.D.under No. OA/EVAC/4537,dated the 10th July,1952.

Your replies to the objections raised in the audit report have not yet been received. The replies to the previous audit report forwarded by the Examiner,O.A.D.under his No.OA/Evac/14440,dated 29-2-1952 are also still to be received. The Examiner O.A.D.has repeatedly pointed out in all the four audit reports received so far that the state of accounts is unsatisfactory and requires your personal attention for setting right the irregularities.

Some of the irregularities mentioned by audit are of a serious nature and require immediate action. They are re-iterated below and brought to your personal notice.

(1) The Departmental records show a balance of Rs.1,10,301-3-5 in treasury whereas the treasury records show a balance of Rs.38,390-13-6 only.(Para 7(vi) audit report 3/52). Similar discrepancy has been pointed out by audit in previous reports also. The difference in the balances is considerable and calls for immediate investigation.

(2) Some moveable Evacuee Property has been given free of cost by the Mamlatdar Hubli to a Displaced Person. His action appears to be highly irregular.(Para 4: Audit report Sept.1950).

(3) The sale proceeds of Evacuee Property realised by the Assistant Custodian Dharwar Taluka

Contd...(2).

on 25-4-50 were remitted to the Treasury on 5-12-50 i.e. after nearly 8 months. The inordinate delay requires investigation.(Para 7 : Audit Report Sept.1950).

(4) Amounts were drawn on abstract bills by debit to "57-Miscellaneous" when the expenditure should have been paid by cheques from Personal Deposit Account.(Para 6: Audit Report 9.51).

(5) Basic registers not maintained in the office of Deputy Custodian of Evacuee Property. (Para 4 : Audit Report March,1952).

(6) Large difference of Rs.20,530/14/- between the actual balances and the balance as per balance sheet in the accounts of moveable property in Gadag Taluka.(Para 7(iv) Audit Report 3.52).

The necessity to set right the above irregularities without any delay needs no emphasis. May I, therefore, request you to take immediate action on all outstanding items in the audit report and to forward detailed replies as early as possible.

Yours sincerely,

Sd/-

P. .A. account. The total amount credited in the form of 'Revenue accounts' for the five months previous to the opening of P.L.Account(from 17-3-50) comes to Rs.82900-10-4. (2)	Para 3 of the A.R.ending 30-9-1950 Gadag Taluka: Short collection of auction Sale proceeds of Dawood Hussa.	The amount of short collection is reported to be Rs. 110-0-0 and not Rs.109-8-0. The amount in question has been recovered by the Mamlatdar Gadag from the person concerned on 29-9-1952.	This may be verified in the next audit and settled.		
(6)	Para 7 of the A.R. ending 30-9-1950: Dharwar Taluka: Delay in remittances of cash into treasury.	The Mamlatdar Dharwar reports that the amount of Rs.1059-0-0 was recovered on 25-4-50 and was kept in Teba as there were no orders for crediting the same to the P.D.Account of the Dy.Custodian of Evacuee Property. He further reports that as it was a new scheme and as there were no definite orders for crediting of such amounts the matter may be dropped. In view of the facts stated above the e seems no objection to drop the matter.	Keeping the cash on hand for such a long period was irregular. In view of the explanation of the Asstt.Custodian of E.P.and as recommended by the Dy.C.E.P.The matter,however,may not be pursued.Dy.Custodian of E.P.is requested to enquire and verify whether incidental charges etc.incurred by the Asstt.C.E.P. has now been incorporated in the Cash Book. He is requested to report to Ex. C.A.D.under advise to this office.The Dy.Custodian of E.P.is also being asked to ensure that delays in remitting cash in Treasury do not recur in future.		
"(b)	Register of movable property of Gadag.	The Mamlatdar of Gadag reports that the register of movable property has now been maintained. As regards the discrepancy between the actual balance sheet the P.D. of Gadag Division has been requested to investigate the matter and send the report. A copy of his interium reply dated 27-9-1952 is e closed herewith for perusal. On receipt of his final reply further report will be submitted.	Furtner report may be awaited.		
5.	(a) Agricultural income of Shri Md.Usman Husenmiya Killedar of Hargund	The agricultural property of the evacuee consists of two survey Nos. M namely 11/2 of Somapur and 3 of Kasba of Hargund. The evacuee had half share in the former and 1/3rd in the latter. As regard S.No. 3 it is reported that the evacuee has given the land on advance lease after recovering the rent for 10 years. Hence no recovery of income in respect of this land is possible.	This may be verified in the next audit.		

page...2.

		As regards S.No.11/2 it is reported that the evacuee had given the land on advance lease for three years from 1946-46 to 1947-48. It is further reported that there were full suspensions for the years 1948-49 and 1950-51. Hence it is not possible to effect the recovery of income from the land for the years 1947-48, 48-49 and 50-51, an amount of Rs.10-8-0 being the income of the land for the year 1949-50 alone has since been recovered. Besides these two properties the evacuee has left his share in one house bearing C.T.S.No.2221 which is reported to have not been in a position to fetch any appreciable sum as rent.	
6b	(b) M.A.Latiff's house.	The house in question has since been leased out.	This may be verified in the next audit and settled.
7.	4(a) National Savings Certificates of Kathawadi of Nargund.	It is reported that the brother of the evacuee informs that the National Savings Certificates are not with him and that they have been taken away by the evacuee to Pakistan. Hence it is not possible to obtain the possession of the National Savings Certificates and to keep them in the Sub-treasury as advised by the audit. However the Sub-Post Master Nargund has been instructed not to transfer the ownership by sale or by encashment as the ownership of the same vests in the Dy.Custodian.	- do -
	(b) Dividend due to Kathawadi of Nargund.	It is reported that the Agent of Belgaum Bank Nargund has credited Rs. 62-8-0 as the dividend on Rs.250/- due to the Evacuee from the date he left for Pakistan. It is further reported that an amount of Rs.10/- has been recovered from the K.C.C.Bank as the dividend due to the evacuee for the years 1948-49 and 1949-50. It is also reported that the dividend amount for the year 1947-48 could not be credited as the same was not claimed within three years and hence it was lapsed, as per Bank's Bye-Law No.50.	This may be verified in the next audit.

XII	Amount from Treasury of Abba Tayeb alleged to have been kept there by Shri Jagadish Seth Rs. 200-6-6	Balance sheet. The Mamlatdar reports that the cash box was opened in the presence of the panchas. The Panchanama drawn at the time of sending of the sealed cash box has been traced out by the Mamlatdar Godar and it will be shown at the time of next audit if required.	The Panchanama may be shown to audit in the next inspection.

Subject:- Audit Report on the P.D.Account of the Deputy Custodian of the Evacuee Property,Dharwar for the period ending 31st March,1952.

No.EVC/Audit.
Gadag, 27-9-1952.

Sir,

Kindly refer to your Demi Official letter No.EVC/Adt. dt.20-9-1952. Symbolical possession of the Evacuee Property was taken on 24-8-1949. On that date the value of the movable property was estimated at Rs.40,000/- and odd. The movable property consists of goods(ten etc.) kept for sale. Though possession of it was taken over on that date the Evacuee's staff was in charge of the goods and they were allowed to sell them. The sales continued till 25-10-1949 when the actual possession of the entire property was taken over. During the period of one month or so, the sale proceeds were being credited to the accounts. By 20-10-1949 the value of the goods was naturally reduced and the difference is stated to be Rs.20,530-14-0. What is now required to be seen is whether the goods sold during the period was worth that much amount.Regular accounts have been maintained during the period. But the difficulty is the accounts are in Gujarati which our clerks do not know. No clerk knowing Gujarati has been compiling the accounts in Kannad with the help of a gentleman knowing Gujarati has been engaged. The clerk in Charge of the compilation has been compliling the accounts in Kannad with the help of a gentleman knowing Gujarati. He has now come upt to 16-10-1949 and has promised to complete the accounts within a couple of days. After the accounts are completed I will verify them and let you know what the real state of affairs, is. What I could gather from the accounts so far prepared is that the irregularity, though it looks serious, is not so as to the embezzlement of money. The difference of Rs.20,530-14-0 pointed by the Auditor is not real. In lieu of the goods worth Rs.20,530-14-0 some cash has been actually received on the date of actually taking over i.e. 25-10-1949. The only point to be seen is whether the whole of Rs.20,530-14-0 has been recovered. I will verify this on completion of the accounts and submit my further report during the course of the next week.

Yours obediently,

Sd/- S.G.Bhagoji.

Collector of Dharwar.
